Program and Application Guide
Revised 09.29.22
The **New York State Seed Funding Grant Program** (the “Program”) was created to provide assistance to early-stage small businesses to succeed in a recovering New York State economy.

Eligible Applicants must provide evidence, acceptable to New York State that the Eligible Applicant is operational and meets the program requirements.

As part of the application each micro-business, small business, or for-profit arts and cultural organization including independent arts contractors shall provide sufficient documentation in a manner prescribed by Empire State Development (ESD) to demonstrate program qualification.

Only one grant per business EIN or SSN allowed.

Due to a limited amount of funding and the high volume of requests expected, business type, geography and industry may factor into ability to receive a grant.
Definitions

In this section, you will need to verify your identity using Persona by uploading a picture of your valid government-issued ID. You will also need to take a selfie using a device with a front-facing camera.

What is Persona?
Persona is a third-party platform utilized by Lendistry in its fraud prevention and mitigation process. The Persona platform enables Lendistry to verify an individual’s identity and protect against identity spoofing by automatically comparing the individual’s selfie to their ID portrait with a 3-point composite and biometric liveness checks.
Why is your banking information needed?
Lendistry uses a third-party technology (Plaid) to set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry’s Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies. Lendistry uses this technology only to verify your bank statements.

This method of bank verification is preferred but will not always work if your banking institution is not available through the provider. In this case, you can verify your bank account by reaching out to Lendistry at 866-759-5320.
